## HOW TO PLAN YOUR VISIT

We have divided our artists into four different routes to help you plan your visits. Please be aware that Sat nav may not work in all areas, so some basic directions to venues are included here. Several venues have more than one artist. The number by each artist's name

refers to the number of the venue on the map. Just look out for artists' signs and the blue and green bunting! The Cowal peninsular is one of the most beautiful parts of the UK, so why not venture out to see artists across the area and enjoy our stunning landscape.
